Barry County 4-H Dog Project Record

Why Keep Records?

Keeping accurate project records can be challenging, interesting, and sometimes fun. Good records will help you:

- o Learn more about your dog, the time, effort, and costs involved in caring for your dog.
- o Improve training skills and keep track of current level of training.
- o Learn the value of accurate record keeping.

Keep this record as part of your "Member's Personal 4-H Record" (available at the extension office) which provides space for a complete record of all your different 4-H projects and activities. This information is helpful if you apply for 4-H Awards and Scholarships).
