## 4-H County Project Award Application Cont.

### Section 3: Life Skills

Choose two life skills on the life skills wheel shown on the right and describe how you have developed each life skill your 4-H project.

*Example: Through my Healthy Lifestyles 4-H project I have learned personal safety, planning/organizing, cooperation, and marketable skills. Cooking in the kitchen has taught me the importance of practicing safety including using care with hot surfaces while using the oven. I have learned safe handling of knives and sharp objects. Food safety is an important aspect of keeping safe in the kitchen...*

### Section 3: Knowledge

Identify up to two areas of content knowledge you have learned in your 4-H project and describe what you have learned and how you learned it. (No more than 500 words)

*Example: In my 4-H Goat project I have learned showmanship, hoof care, milk processing and nutrition. In the area of nutrition, I have learned the various feed stuffs, ration amounts and protein contents of each feed stuff...*
