# STATEWIDE 4-H NEWS

## Opportunity to teach at 4-H Exploration Days 2023

Annually, MSU Extension holds [4-H Exploration Days](#), a pre-college program for more than 1000 youth (ages 12-19 years old) from across the state. This exciting program allows youth to try new things, gain confidence and independence through hands-on learning, and make friends that can last a lifetime. The 2023 event is set for June 21-23 on the campus of MSU.

This exciting event is a team effort and we need you! We're currently seeking inspiring and fun educational and free time session proposals. Think outside the box for ideas! Youth like sessions on career paths, cutting edge research/work, animals, life skills for their future, recreational activities and new and emerging activities/topics. Some of the areas requested by youth also include: robotics, drones, music, outdoor activities like biking, rappelling, kayaking and nature sessions.

Session and free time proposal requests are now open until December 5. More information on the adult instructor role and the youth co-instructor role, as well as details about proposal requirements, can be found at [www.canr.msu.edu/4\\_h\\_exploration\\_days/Volunteer-Information/](http://www.canr.msu.edu/4_h_exploration_days/Volunteer-Information/).

AMERICAN  
EGG BOARD

# 2023 EGG DESIGN Submission Call

Presented by  
America's Egg Farmers

**For over 40 years,** the First Lady of the United States is presented with a beautifully decorated Commemorative Easter Egg by America's egg farmers to celebrate Easter. To mark the 2022 Easter season, all 40 eggs presented to past First Ladies were displayed in a special exhibit.

During the 2023 Easter season, a new exhibit will feature decorated eggs from each U.S. state/territory designed by kids across the country. We are calling on parents with kids aged 5-18 to design an egg under the theme of "United States of Possibility" that represents their home U.S. state or territory. Here's how parents can help their child get involved:

## Design and Entry Submission Process

1. Download the PDF included in the submission form, and use the template provided to have your child create his/her own egg design and corresponding design inspiration statement explaining your child's vision behind the idea. The design statement should be no longer than 50 words in length.
2. Your child should embrace his/her personal artistic style – be bold, fun, and unique. Your child can use any medium of choice (crayons, watercolors, paint, etc.) for the egg design. Art should be your child's original creation, and not feature assets from third parties (unless in the public domain). Anything not original or not in the public domain may not be included in any entries.
3. Fully complete the submission form, including your contact information and your child/artist's full name, so you can be contacted if your child's egg design is selected.
4. Upload your child's submission, including your child's egg design, to the submission portal at [www.incredibleegg.org/unitedstatesofpossibility](http://www.incredibleegg.org/unitedstatesofpossibility) by 11:59:59 PM ET on Saturday, December 31, 2022.
5. The American Egg Board selection committee will review all submissions and select one egg design per state/territory, which is expected to serve as inspiration for a unique exhibit during Easter 2023.
6. Parents of selected egg design submissions will be notified by March 10, 2023, and selected egg designs will be created by egg artists across the country for a special exhibit, as determined by sponsor and artist in their sole discretion.

## United States of Possibility Theme - How to Get Started Your Child Started

Each U.S. state and territory is special. From the mountain ranges of Washington to farmlands of Iowa to beaches in Florida, our different locations combined make up a diverse and united country and give us a special sense of local and national pride. So how can our differences contribute to the future of the United States?

This is the United States of Possibility. What role will your individual state or territory play in the next 5, 10 or 15 years? What are some special aspects that you think will contribute to our country's unity? We're looking for egg designs that show how your state/territory might make a difference in the future of our country. Consider your home's unique natural resources, scientific and technological inventions or cultural developments in the arts, sports or film. Then put it into an egg design...

**Here are some questions to ask your child when thinking about their egg design:**

- What is the thing I love most about my state or territory?
- What makes my state/territory unique?
- What makes my state's/territory's citizens different?
- And how can any of these things contribute to the unity of our country in the future?

For full rules and terms and conditions of entering this opportunity with American Egg Board, please visit [www.incredibleegg.org/unitedstatesofpossibility/rules](http://www.incredibleegg.org/unitedstatesofpossibility/rules).
