Meet Our New Mason Office Support

My name is Sara Corr, I've been with MSU Extension for 4 years working in the Eaton office and assisting with the 4-H program there as well as assisting Educators and Program staff. I graduated from Michigan State University in 2018 with a degree in Environmental Studies and Sustainability and minor degrees in Geographic Information Sciences and Sustainable Agriculture and Food Systems.

In my free time I like to go to concerts, walk with my two dogs and listen to audiobooks or podcasts. I also love to travel with my husband, either just a weekend up north or just last year we traveled across the globe to India.

I look forward to meeting new people and learning the ropes here in Ingham County, and I hope to bring my knowledge and experiences as well.

STATEWIDE 4-H NEWS

Registration is open for 4-H Great Lakes and Natural Resource Camp!

4-H Great Lakes and Natural Resources Camp is an annual three-time national award-winning camp that mixes summer fun and hands-on science education. The camp will be held July 28 - August 3 on the shores of Lake Esau at Camp Chickagami in Presque Isle. This pre-college program is for teens who will be age 13 to 15 during camp.

Campers will increase their science literacy and stewardship as they learn from natural resource experts in fields such as Great Lakes coastal and fisheries management, limnology, wildlife, forestry, geography, geology and environmental education. In addition to hands-on learning, attendees will also enjoy exciting natural resources recreation activities such as kayaking, snorkeling, sailing, fossil hunting, archery, photography and evenings around a campfire. First-time campers also go charter fishing and learn to fillet their catch.

Registration is now open! The registration fee is \$500 and includes six nights of lodging, all meals and snacks, a t-shirt and program and activity costs. Space is limited to 70 campers so register today. For more information and to register, visit www.canr.msu.edu/4_h_great_lakes_natural_resources_camp/.

4-H Exploration Days registration coming soon!

4-H Exploration Days is Michigan 4-H's largest pre-college program and could be the highlight of your summer—maybe even change your life! This exciting event is open to any Michigan youth ages 12–19 as of Jan. 1.

4-H Exploration Days, scheduled for June 19-21, is designed to help youth build the skills they need to successfully transition to college and to life as an adult. Michigan 4-H youth who participate have the opportunity to stay in MSU campus residence halls while attending classroom and field trip sessions.

With more than 100 session choices held on and off campus, there are topics for everyone including animal science, business and entrepreneurship, international language and culture, performing and visual arts, and science, engineering, and technology. As youth gain important life skills like decision making, problem solving and communication, they'll also have time for fun with free time activities such as skating, basketball and a dance.

Registration for 4-H Exploration Days will open March 25. The cost for the 2024 event is \$220. Check with your local 4-H program coordinator for additional information regarding county sign-ups and scholarships or visit www.canr.msu.edu/4_h_exploration_days.

Open your home to a student with the 4-H International Exchange Program!

Making your summer plans? Consider hosting a Japanese youth this summer through the States' 4-H International Exchange Program! Michigan will be hosting 18 Japanese youth and two chaperones. These visitors will quickly become a part of your family for their 3 ½ week stay (the last full week of July to the middle of August) and gain a fun American experience through your exceptional hospitality. In addition, your children will build lifelong friendships and gain new perspectives on their own country, too!

Host families must complete the States' 4-H International Exchange Programs online application, have a youth to match a host brother/sister (within three years of age), be a Michigan 4-H Gold-level volunteer, participate in a family interview as well as a home visit process. For more information contact Jan Brinn at brinn@msu.edu or John Wurm at wurmj@msu.edu.
