STATEWIDE 4-H NEWS

2023 Michigan 4-H State Award winners announced

The Michigan 4-H State Awards Program recognized outstanding 4-H members during the opening session of 4-H Exploration Days on June 22. At the event, honorees had the opportunity to celebrate their accomplishments with their fellow 4-H Exploration Days participants.

A Michigan 4-H State Award is the highest honor bestowed on Michigan 4-H members and recognizes a level of excellence in learning, leadership and service. In total, 22 4-H members from 15 counties submitted applications to take part in this year's program.

"All of our 4-H'ers across the state are amazing but the youth honored with 4-H State Awards are some of our most accomplished," said Julie Chapin, state 4-H leader for Michigan and director of MSU Extension's children and youth programs. "They have demonstrated their dedication to improving themselves and their communities through 4-H, service and more."

Michigan 4-H State Awards were presented in 13 of the 20 available award categories that showcase the diverse array of 4-H knowledge, skills and experience. Recipients of the 2023 awards are:

The Michigan 4-H State Awards Program is open to 4-H members who are 13-19 years old with three or more years of 4-H experience. To qualify for the award, 4-H'ers must submit a written application that showcases the learning experiences, knowledge and skills they've acquired through their participation in 4-H, as well as their contributions to their local 4-H programs, clubs and communities. Submissions are reviewed by the Michigan 4-H State Awards selection committee. This group of volunteers, staff members and industry experts determine which members are selected as award finalists. All applicants receive written feedback from selection committees.

In addition to a plaque, each 4-H State Award winner in the senior division will also receive a \$200 cash award; junior winners receive \$50 cash awards. These awards are made possible by generous donations to the Michigan 4-H Foundation.
