Color this chicken below to make it look like yours.

My 4-H Poultry Project story

The motto of 4-H is "Learn by doing", each year you will learn something new by participating in a 4-H project. Please write a story that explains:

- Your learning experience with your project.
- What your bird has taught you
- New skills you have gained over this project
- Goals and accomplishment. Include details about any shows or exhibits you went to, and ribbons or awards you won.

Other examples that you may consider writing about include: Something that happened that was funny, sad or exciting. Challenges you faced and how you overcame them, who helped you with your project and how they contributed. Things you are most proud of. Feel free to relate your 4-H experience to other parts of your life (school, home, family, friends, etc.....).
