

Career Exploration

Please answer the following questions according to your assigned age category: Beginners-question 1; Intermediate-questions 1-2; Advance-questions 1-3. Additional pages may be attached as needed.

1. Name and describe two jobs that you could do that involve animals.

2. If a person wanted to raise animals as a career, what educational steps could they take? List three classes/subjects that would be most helpful for them.

3. Identify ten jobs that would be needed to get an animal product from farm to table and explain how each is linked to the animal product. (Example: commodity trader, graphic designer, truck driver, etc)

MSU is an affirmative-action, equal-opportunity employer. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status.
