# Raise a puppy. Change a life.

By being a volunteer puppy raiser, you and your family create life-changing moments, while helping a person who is blind or visually impaired regain independence.

#### WHAT DOES A PUPPY RAISER DO?

- > Devote 12-15 months of your time, energy and love to raising a puppy
- > Provide daily care, such as feeding and walking
- > Teach basic commands based on Leader Dog guidelines
- > Introduce the puppy to a variety of people and environments
- > Receive tons of ongoing support from Leader Dogs for the Blind

#### ONE HOUSEHOLD

This traditional way to puppy raise is perfect for families, college students, active singles, retired couples and empty nesters.

#### CO-RAISING (PRIMARY AND SECONDARY RAISER)

This option is for someone who wants to share duties with a person from another household.

#### **PASS-ALONG**

One raiser has the puppy for the first six months and a second raiser has the puppy for the next six months.

- > Ideal for people who can commit only to a limited time raising a puppy
- Individuals with pet weight/size restrictions or who may be more comfortable handling a younger, lighter dog can raise for the first six months, while individuals who prefer a dog that already has foundational behaviors may prefer raising the last six months.

#### **CAMPUS PUPPIES**

For college students raising on campuses approved by Leader Dog.

- > Must participate in campus puppy club and meet with assigned puppy counselor
- > All supplies, veterinary care and food paid by Leader Dog

To get more information, scan this QR code or visit LeaderDog.org and click on Volunteer.
