

**BARRY COUNTY 4-H**

**Young Clover  
Rabbit & Cavy Notebook**

Cavy Edition

### Objectives of the Barry County 4-H Young Clover Rabbit & Cavy Project:

- To gain experience caring for rabbits and cavy
- To explore rabbit and cavy breed and nutrition
- To participate in group activities within your 4-H Club

This is NOT a requirement for a Young Clover to complete. This is an optional educational exhibit to be shown by the exhibitor.

The Young Clover project is for the child to explore and discover project areas. Young Clovers are not judged or placed in any 4-H activity.

Young Clovers will participate in rabbit or cavy showmanship and receive participation awards only.
