## *Research Area: Soil Science*

---

**BHEARD PROGRAM START DATE:** September 2016

**UNDERGRADUATE EDUCATION:** B.Sc., Soil and Environment Management, University of Rwanda

**RESEARCH INTERESTS:** Marc's institution and country in general are lacking the qualified researchers to handle different problem that are faced by the people in Rwanda, especially in the field of natural resource management. Marc hopes that with the knowledge that he's acquiring at the University of Nairobi, it will help him to address those problems on his way back to Rwanda.

**PERSONAL STATEMENT:** Marc finds its very interesting to carry out his M.Sc. studies at the University of Nairobi because of its advanced in scientific research. With the knowledge that he has already acquired, Marc is planning to conduct research in the field of natural resource management. He will also be involved in a scientific research publication on his way back to Rwanda.

**WHEN I AM NOT WORKING I ENJOY:** Marc enjoys playing football very much. During the weekend Marc used to play football within the university team.
