Action	Agenda Item
Approved	3. Approval of agenda for 18 March 2024
Approved	4. Approval of minutes from 4 March 2024
	5. Old Business
	6. New Business
Approved	<p>6a. AT 215 New Course #1 simplify to “new course to fill a curricular void in ag employee management” #4 suggest SIS title as “Ag Employee Management” #5 suggest streamlining to “Key concepts, techniques, and issues in agricultural employee management and their impact on agricultural operations” [ag vs farm operation, not every operation is a farm per se] #8 add Summer, on demand (we think this will work) #23 Redundancy? “Open to agricultural technology students in the Institute of Agricultural Technology. “</p> <p>Comment on Syllabus: Attendance / viewing the taped lectures is ‘strongly recommended’ but attendance & discussion is 25% of the grade. The syllabus also says attendance is required, but then says discussion can be ‘written’. Syllabus says the class is <u>synchronous</u> but recorded. So - some people will be ‘live’ and discuss? Others will view a tape and respond in writing? How are these two scenarios graded? Doesn’t seem like a synchronous experience in that case. Tighten up or explain better.</p>
Approved	<p>6b. AT 221 New Course #1 simplify to “new course to fill a curricular void in Unmanned Aircraft Systems” #4 suggest SIS title as “Unmanned Aircraft Systems in Ag” to make sense #5 suggest streamlining to “Concepts and field work necessary to conduct safe operations with unmanned aerial systems used in agricultural operations. Field trips required. “ #10 Add flight objectives from syllabus</p> <p>#23 “Open to agricultural technology students in the College of Agriculture and Natural Resources or in the Institute of Agricultural Technology, or to other CANR students by permission. #30 Add %s</p>

	Syllabus: Course is offered at NORTHWESTERN Michigan College Grading as written – 80% without the FAA exam – would be a pass.
Approved	6c. CSUS 873 – Delete Course * no longer needed in curriculum
Information	7. UCC Update (Jim Schneider) * dual enrollment is being clarified, UGRA must have had a conferred degree to be enrolled in a Grad program.
Information	8. Associate Dean’s Comments * email sent out about new campus survey committee to coordinate efforts
