### **Job Description**

---

#### **TEACHING POSITION OPENING FOR THE 2026/2027 SCHOOL YEAR**

**POSITION:** Agriscience Teacher & FFA Advisor

**GRADES:** 6-12

**STATUS:** Full-Time - 1.0 FTE

#### **REQUIRED:**

- Valid Michigan teaching certificate with HX, DI and/or DA endorsement on their certificate
- CTE certification in Agriculture, Food and Natural Resources; OR, Eligibility for Annual Career Authorization (ACA)

#### **INCLUDE:**

- Cover Letter
- Resume
- Professional References
- Transcripts
- Teaching Certificate

#### **DESCRIPTION:**

- Develop and implement a comprehensive agricultural science curriculum that aligns with state standards and promotes student engagement.
- Teach a variety of subjects related to agricultural science, including but not limited to plant science, animal science, agronomy, and environmental sustainability.
- Create hands-on learning experiences through laboratory work, field trips, and agricultural projects.
- Assess and evaluate student performance, providing constructive feedback and support to foster academic growth.

- Collaborate with other faculty members to integrate agricultural science concepts into interdisciplinary projects.
- **Organize and supervise extracurricular activities, such as FFA (Future Farmers of America) and other agricultural clubs.**
- **A minimum of 90 hours of summer AG duties required, that are included in an additional contract and pay.**
- Maintain a safe and organized classroom environment, ensuring all equipment and materials are properly managed.
- Communicate effectively with students, parents, and the community regarding student progress and program initiatives.
- Stay current with advancements in agricultural science and incorporate relevant technologies and practices into the curriculum.
- Participate in professional development opportunities to enhance teaching skills and knowledge of agricultural education.

### **REQUIREMENTS**

- **Bachelor's degree in Agricultural Science, Education, or a related field**
- **4,000 hours of recent and relevant work experience if ACA (Annual Career Authorization) is required**
- Strong knowledge of agricultural practices, principles, and technologies.
- Experience in teaching or working with middle and high school students is preferred.
- Excellent communication and interpersonal skills, with the ability to engage and motivate students.
- Ability to develop and implement innovative teaching strategies that cater to diverse learning styles.
- Strong organizational skills and the ability to manage multiple responsibilities effectively.
- Commitment to fostering a positive and inclusive learning environment.
- Familiarity with FFA or similar agricultural organizations, or willingness to learn

### **PHYSICAL REQUIREMENTS**

- This position requires long periods of standing, sitting, and walking.
- The position requires occasional lifting of supplies and movement of classroom furnishings during the course of the school day.
- Work takes place both indoors and outdoors, with some travel to other schools or field trip locations.

### **BENEFITS:**

- Salary to be determined based on experience and qualifications
- Paid sick and personal time
- Full health benefit package

**Position Type:** Full-Time
