Co-PI from MSU as part of planning team (with Rick Paulsen, retired; Howard Rice): January – Summer 2019, began updating of Pohnpei economic sectors' Sustainable Development Plan based on sector input. This is in preparation for re-engaging with Pohnpei to move forward with "next steps," and potentially to work with new FSM president on a national version of sustainable development planning via a "living park" conceptual framework.

Project Partner: (2022, 2020, 2019, 2018, 2017). Worked with MSUE GMI Tourism group on First Impressions Tourism project, involving "secret visitor" community reviews as impacts tourism readiness and assets. Reports and community meetings follow the FIT visits. Reports provide insights to help communities make their own decisions about how to move forward to develop their communities, with tourism as a component. FIT 2022 – Cassopolis, MI; (FIT 2020 postponed); FIT 2019 – St. Clair, MI; FIT 2018 – Marine City, MI; FIT 2017 – Marlette, MI.

Also participated in community meeting, and filming for a short promo video in Laingsburg, MI, November 2019. FIT video finalized in 2020: [https://www.canr.msu.edu/tourism\\_first\\_impressions/how-it-works/](https://www.canr.msu.edu/tourism_first_impressions/how-it-works/)

Project Partner: (2013). Invited to submit full proposal (based on pre-proposal) with Michigan Sea Grant via NOAA to NOAA's Preserve America Initiative: *Establishing a Statewide Michigan Great Lakes Fisheries Heritage Trail: Preserving and Promoting Fisheries History through Coastal Tourism and Great Lakes Literacy*.

Co-PI from MSU as part of planning team (with Rick Paulsen): Working with multiple stakeholders in the **Federated States of Micronesia** on an integrated sustainable community/state/nation development project, using the concept of parks and the tourism sector as the entrée to the process. Joined project in February 2005, with first on-site visit in March 2005. Member of three-person team visiting all four States in 2008 to acquire interviews, video and still photographs for public awareness and development purposes. Formal contract with Pohnpei to focus on the first state-based planning process beginning 10/1/10 and now formally extended through 8/31/12 to complete the Pohnpei plan. Awarded \$88,059. Five visits to FSM to date; hosted two FSM stakeholder visits/planning meetings to MSU plus several other working meetings with small planning teams. Contract extended no-cost and continued to work beyond the extension deadline. Pohnpei SDP draft submitted December 19, 2012. Final revised Pohnpei SDP submitted February 2013; adopted by legislature October 2013.
