

Transcripts of COVID-19 Videos for Dairy Employees

Author: Paola Bacigalupo Sanguesa

6- Local resources for Michigan residents

If you live in Michigan and have questions about COVID-19, you can call the COVID-19 Hotline at 888-535-6136 Seven days a week from 8 a.m. to 5 p.m. and request a Spanish speaking operator or send an email with your questions to COVID19@michigan.gov.

If you are looking for a testing site in Michigan, you should go to www.michigan.gov/coronavirus and click on "Find a testing site near you". There, you can enter your complete address or select your State, County and Zip code, and you will get information of the closest testing site. Before you go to the testing site, call the phone number provided and ask for instructions. Remember to mention that you are an essential worker. In Michigan, essential workers that are still reporting to work in person can have access to a test, whether they have symptoms or not.

In the comment section of this video, you can find the COVID-19 Hotline number, the email address for information about COVID-19, and the link to the website to find a testing site near you.

6- Recursos locales para personas que viven en Michigan

Si ud vive en Michigan y tiene preguntas sobre el COVID-19,, puede llamar a la línea directa de COVID-19 al 888-535-6136 los siete días de la semana desde las 8 de la mañana hasta las 5 de la tarde y solicitar a una persona que habla español.

También puede enviar un correo electrónico con sus preguntas a COVID19@michigan.gov.

Si está buscando un sitio de testeo en Michigan, puede ir al sitio web www.michigan.gov/coronavirus y hacer clic en "Find a testing site near you" que significa "Buscar un sitio de prueba cerca de usted". Allí, puede ingresar su dirección completa o seleccionar su estado, condado y código postal para obtener información del sitio de testeo más cercano.

Antes de ir al sitio de testeo, llame al número de teléfono proporcionado y solicite instrucciones. Recuerde mencionar que ud es un trabajador esencial. En Michigan, los trabajadores esenciales que van a trabajar en persona pueden tener acceso a un test para el COVID-19, ya sea que tengan síntomas o no.

En la sección de comentarios de este video, puede encontrar el número de la línea directa de COVID-19 de Michigan, la dirección de correo electrónico para obtener información sobre COVID-19 y el enlace al sitio web para encontrar un sitio de testeo cerca de usted.
