

To: 4-H Club Administrative Leaders

Learning, completing a project and recognition are important parts of the 4-H program. Recognition enhances the member's self-esteem, increases his or her motivation to learn, to become more involved in 4-H, to accept new responsibilities and set new goals. You have the opportunity to make good feelings happen in kids whom you feel have made significant achievements in 4-H by nominating them for a county award. There are many reasons for nominating a member for an award. Anyone who you feel deserves and meets the requirements can be nominated. Remember that each person is an individual and starts at a different point. Listed below is a checklist you may want to consider:

- Would the member benefit from this award experience?
- Often times, leaders tend to nominate those who received top honors at the fair, but everyone who meets the specific requirements is eligible for the awards and often benefits more.
- Did the member have enthusiasm for the project?
- Did the member work hard and personally develop through the project?

The award applications for the 2023-2024 program year are due at the Eaton County MSU Extension office or emailed to gottjess@msu.edu by December 20th. This will give ample time for nomination forms to be reviewed and award recipients selected. Award winners will be invited to and recognized at the annual Participation Celebration Banquet.

To submit nominations, do the following:

1. Determine approximately how many members in your club you wish to nominate for, or which awards you would like to submit for:
 - County Medals
 - Young Achievers
 - 4-H Key Club
 - Achievement, Leadership or Citizenship
 - "I Dare You" Leadership
 - Club Community Service
 - Club Recreation
 - Outstanding Teen Leader
 - Outstanding Leader
 - Friend of 4-H
2. Go to [Eaton County website](#) and scroll down to access PDF forms of each award. You can also pick up the appropriate number of printed forms from the Eaton County MSU Extension office.
3. Submit forms directly to the Eaton County MSU Extension office or email to
