MICHIGAN STATE
UNIVERSITY | **Extension**

Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status.

Rev: 04/26

Objectives of the 4-H Cloverbud Goat Project

1. To gain experience caring for goat.
2. To explore goat breeds and feeds.
3. To participate in group activities within your 4-H club.

NOTE:

- ☺ Cloverbud projects are for the child to explore and discover project areas.
- ☺ Cloverbud projects are not to be judged or placed in any 4-H activity.
- ☺ Cloverbuds will participate in swine showmanship in the Cloverbud class.
- ☺ The responsibility of animal ownership should not lie solely with the child, but with the parents also.
- ☺ Safety of the child should be the primary concern of the Cloverbud project.
