Dairy Project Record Book Heifer/Cow

All Ages

Name: _____

4-H Club: _____

4-H Leader: _____

Age (as of 1/1): _____ Years in 4-H Dairy Project: _____

MICHIGAN STATE
UNIVERSITY | **Extension**

Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or Veteran status.

Rev. 4/26

Why Keep Records?

- Members learn more about their project animals - costs, feed, health and management skills.
- Documents activities and progress in the project.
- Improves management and production practices.
- Helps plan future projects.

Keep this record as part of your Personal 4-H Records.

Remember - records are no better than what YOU put into them!

I understand that this is a **completed** Heifer/Cow Project Record Book.

4-H'ers Signature: _____

4-H Leader's Signature: _____

Extra Credit for my Project?

An outstanding 4-H project record is one that goes above and beyond what is expected. Be creative!

- A completed record book should have a beginning and final photograph. You are encouraged to be in the photo with your project animal(s), include more photographs, and include captions. You may use additional pages.
- Write a report on a related topic of at least one page:
Proper Care and Nutrition; Selection; Animal Science; Safe Management Practices or Diagram of Farm Set-up; Veterinary Science; Food Products (such as sample "healthy" recipes) of cheese or milk, etc.

Project Summary

Name: _____ 4-H Age (as of 1/1): _____

4-H Club: _____

Number of years in the Project, including this year? _____

Number of project meetings held: _____ Number I attended: _____

I gave _____ project talks or demonstrations.
