## GRATIOT COUNTY

18 USC 707

### Season's Greetings from Gratiot County 4-H

As we move into the season of giving, gratitude, and togetherness, we are reminded of what makes 4-H so special—youth, families, volunteers, and communities coming together to make a positive difference. This time of year encourages us to reflect on what we're thankful for, and we are truly grateful for the dedication and enthusiasm our 4-H members bring to every meeting, project, and event.

In the spirit of giving, Gratiot County 4-H is proud to host our **Food and Personal Needs Drive**, running now through **December 15th**. All donations will help support local families during the holiday and winter season, when the need is often greatest. We appreciate every contribution—big or small—that helps brighten someone's holiday.

As we embrace the winter months ahead, we look forward to all the opportunities 4-H provides for learning, leadership, service, and community engagement. From hands-on workshops to club activities, project learning, and countywide events, 4-H continues to give youth a place to grow, belong, and make meaningful connections.

Thank you for being part of our 4-H family. May this holiday season bring warmth, kindness, and many moments of joy to you and your loved ones. We are excited for the winter adventures ahead and grateful for each of you who help make Gratiot County 4-H strong.

Till next time — head, heart, hands, and health!

## 4-H Thriving Model of Positive Youth Development

Have you ever been to a club meeting that starts with a roll call question? Building a sense of belonging in the 4-H community is one of four core concepts of the 4-H Thriving Model that any 4-H program can intentionally do.

We strive to build this welcoming feeling and offer kindness to help develop a sense of belonging throughout project meetings, club meetings, workshops and events offered. What better way to build a community than to find similarities among the membership?

Some of the questions are simple, some are silly, and some can get more involved depending on the purpose of the meeting. Regardless, it's a great way to get to know everyone. Contact your local 4-H staff for more information.
