

TERRARIUM BAR!

*Pick your plants.
Choose your décor.
Build your world.*

Join us at the MSU Horticulture Gardens Houseplant and Succulent Sale VIP Party on Nov 5 and build a healthy, self-sustaining bioactive terrarium. You'll design and assemble your terrarium using specially formulated terrarium substrate, a variety of plants, natural elements, and decorative accents. Proceeds benefit students attending HRT Study Abroad.

\$25 ALL-INCLUSIVE TICKET

YOUR TICKET INCLUDES:

- 2-quart glass container with lid (see photo above)
- Drainage layer and barrier fabric
- Bioactive substrate
- Live plant cuttings and moss
- Three decorative items including: resin figurines, crystal mushrooms, and natural accents.
- Bioactive cleanup crew
- Advice and take-home care instructions from Hort Dept faculty

KEYS TO TERRARIUM SUCCESS:

1. **Drainage layer-** because happy roots don't like wet feet!
2. **Specially formulated terrarium substrate-** providing balanced moisture, aeration, and nutrients.
3. **The right plants-** because not every plant belongs in a terrarium! Our curated plant selection thrives in the unique conditions of a miniature, enclosed ecosystem. Minor and infrequent pruning may be required.
4. **A bioactive cleanup crew-** meet the springtails, your tiny terrarium caretakers that help keep your ecosystem clean, balanced, and thriving. These are optional, but highly recommended.
5. **Lighting and Aftercare Instructions-** we'll help you find the perfect location for your terrarium at home or in your workplace. A detailed take-home FAQ/Care Guide is provided.

IMPORTANT

- Requires VIP Party admission (either by purchasing a VIP Party ticket, or with current garden membership)
- Terrarium Bar tickets must be redeemed during the VIP party (Nov 5, 2026, 4:00-7:00 PM), with entry to the terrarium bar concluding at ~6:40 PM.
- Take-home terrarium kits will not be provided.
- Tickets are non-refundable
