MISSION STATEMENT

Michigan 4-H youth development is a youth development program that involves volunteers in providing positive, experiential and educational opportunities for and with youth. Our mission is to create environments through collaboration that build strong, healthy youth, who are proactive in a complex and changing world.

Horse Committee

Horse Committee is made up of horse club leaders, volunteers, parents/guardians and 4-H members. The 4-H Horse Board Officers consist of the Chairperson, Vice Chair, Secretary, Treasurer, two Adult at Large and two Teen at Large members. The committee is responsible for planning and implementing the 4-H horse program. Everyone is welcomed and encouraged to attend meetings where information is given, issues are discussed, and decisions are made. It is to the club's advantage to have a representative at every meeting so that information is brought back to the membership in a timely manner. Leaders who do not attend regularly are deferring to the decisions made by those in attendance. Meeting notices are sent to all registered leaders. Minutes from the previous meeting are available at each meeting and sent out via email.

Horse Committee provides partial reimbursement for State 4-H level competitions, State 4-H clinics and purchase of an ASTM-SEI approved helmet. Horse Committee may also provide a gift or partial reimbursement to 4-H State Horse Show Delegates.

Horse Committee is an active part of the Ingham County 4-H Program, which is governed by MSU Extension Ingham County 4-H Staff. Issues like club and member registration deadlines are set by MSU Extension Ingham County 4-H Staff. They have recommended that all clubs have clear, written expectations of meeting attendance, responsibilities, rules and consequences. 4-H Council is open to all 4-H members, parents/guardians and leaders.

Horse Committee is an active member of Michigan Horse Council. There is representation at Michigan Horse Council meetings by a delegate from the Horse Committee. The delegate reports Horse Council information at monthly Horse Committee meetings.

Ingham County Fair

Ingham County Fair has a division dedicated to 4-H clubs, Ingham county residents and Ingham county barns/organizations which is an excellent opportunity for clubs and youth to show their horse projects. Members exhibit and compete with their current year horse/pony project to reflect the dedication and time each member has invested. This is a multi-day horse show with classes divided according to breed/performance, age and level. The Fair is held at the end of July or beginning of August at the Ingham County Fairgrounds in Mason. Contact person is the Fair Superintendent of Horse Project which works with the 4-H Horse Superintendent and/or 4-H Horse Committee Board.

Little International

This competition is held every year on the last Friday of Fair. Exhibitors demonstrate their showmanship skills with an animal from each large animal project area. The top score from each age division will become the Little International winners. There are three age divisions: Senior (age 15-19), Intermediate (ages 12-14) and Juniors (ages 11 and under). Youth that placed First and Second in the designated Horse Showmanship class and Livestock Showmanship Medals divisions compete for overall Showman.

Senior Ceremony - The 4-H graduating seniors are honored at Fair in the riding ceremony on the first Sunday during the horse show in the 4-H South arena. The high school graduates write a short story (500 words or less) sharing their 4-H career and goals for their future. This story must be written in 3rd person, typed and submitted to the Senior Ceremony Committee and will be read during the ceremony.

Horse Committee Events & Programs

Horse Camp

The camp takes place at the Ingham County Fairgrounds and consists of clinics and riding sessions.

Participants must be current 4-H member of a Michigan county 4-H Horse Program, and be 8-19 years of age by January 1 of current year (please see registration packet for special Horse Camp activities for Cloverbuds). Participants provide their own horse, tack and supplies and are required to care for their own horse during the multi-day camp. Horses must remain on the grounds for the entire duration of camp. Camp staff will be on the grounds to monitor the horses at night.

Participants will choose a discipline and instruction level for the camp. Riding instruction is offered for various levels of skill beginning with walk-trot through advanced. Clinic sessions offer demonstrations and information on horse care, horse behavior, training techniques and various other horse related topics. All 4-H rules apply at camp along with additional rules and guidelines listed in registration packet.

This is a great opportunity for 4-H horse members to become more familiar and comfortable with their 4-H project. For more information go to <https://www.canr.msu.edu/ingham/4-h/animal-projects/horses> or contact the 4-H office at 517-676-7207.

Leader Show

This is an open horse show organized by the 4-H Horse Board and 4-H horse clubs. The purpose of this show is to raise funds to further the horse program for Ingham County members. All clubs are expected to volunteer for jobs required to run the show. Contact person is the Chairperson of the 4-H Horse Committee.

Twilight Shows

These are a series of weeknight, condensed class list, practice horse shows organized by the 4-H Horse Board. The purpose, of these shows, is to promote 4-H and provide an environment for youth and adults to relax and practice in the show pen to prepare themselves and their horses for weekend shows and the Fair.

Banquet

An annual recognition event open to all Ingham County 4-H members, is sponsored by 4-H Council every fall/winter. Members receive County Medals, State Award Nominations, Club Community Service Award, Leader of the Year Award, Friend of 4-H, Golden Feedbag, Outstanding Horse Member, etc.

The Horse Committee Board and 4- H office assist with Horse specific awards and prizes and clubs are encouraged to help with the set up and clean up.

Horse Judging Team

The 4-H horse judging program teaches youth, ages 8 and up, how to evaluate the conformation and movement of horses of various breeds. Members learn how to judge the horse as close to the given breed or class standard as possible. Competition class types usually consist of halter, pleasure and equitation/horsemanship, western riding and reining. Members place classes and defend their placings in a structured format called “oral reasons”.

Members are not required to own a horse. There are no membership fees for this project; however members and their families are responsible for travel expenses. Participants are expected to attend scheduled meetings, including periodic farm visits. Members must understand that this is a team event and requires time commitment to the project.

The team competes in the spring at the 4-H Horse State Judging contest, held at MSU. Top placing senior teams at the State Judging contest have the opportunity to go on and compete at a national horse judging competition. For more information contact Horse Committee.

Proud Equestrian Program (PEP)

Therapeutic horseback riding programs are available to members with special needs including physical, developmental, emotional or multiple disabilities. With the help of certified instructors, youth or adults challenged by disabilities can discover their abilities! Horseback riding helps improve balance, coordination, posture and muscle tone. It also increases self-esteem, self-confidence, discipline and social growth.

EFFECTIVE DATE: 4-10-02, amended 1/12/2022 and 1/10/2024 (effective 2/1/2024)

PURPOSE:

The Ingham County 4-H Horse Committee provides leadership and service to Ingham County 4-H members and leaders throughout the 4-H year. Many of the activities that the Horse Committee organizes throughout the year are dependent on the volunteer work of the 4-H members and club leaders. The success of these activities is directly related to the quality and amount of program support that the Horse Committee can offer to the 4-H members.

GUIDELINE:

Definition: A 4-H club is considered in “Good Standing” with the Horse Committee if the following criterion is met during the 4-H year (September 1 - August 31):

1. A representative from the club attends at least 70% of Horse Committee meetings per 4-H year.
2. A club must work their scheduled volunteer assignments at Leader Show. Exception would be if they notify the person in charge of any difficulty prior to the day of assignment and they are excused in advance by person in charge.

Notification: If a 4-H club is not in “Good Standing,” the leader and each individual member of the club will be notified of their status by letter. Horse Committee will also be notified of clubs not in “Good Standing” at the next scheduled Horse Committee meeting under New Business.

All members of a club in “Good Standing” have the following privileges for the 4-H year:

1. Members will be eligible for State Show Delegate gift/reimbursement.
2. Member/club will be eligible for financial reimbursement or discounted fees from Horse Committee sponsored events.
3. Club maintains voting privileges at Horse Committee meetings.
