

MEMORY ALBUM GUIDELINES

Skills to teach:

- The importance of preserving memories
- Photo journaling
- Photo documentation
- The importance of using archival quality

Guidelines:

General:

- Albums and supplies must be acid free and photo safe
- Albums must be neat
- Pages must be in order
- A 3x5 card including the students age, year in project, brand or make of albums and supplies and what they learned with this project, must accompany the album.

1st year students:

- Album 7x7 or larger.
- Must have a title page.
- Must have at least 15 sides completed
- Must have photo journaling on each page. (Example the Who Jill Martin my friend, Where Disneyworld in 2003, what on the Priate of Caribbean ride.
- Must have at least 1 piece of memorabilia (cards, awards, brochures, etc.)

2nd year students:

- Must show where started 2nd year of pages or start a new album.
- Must have at least 15 new sides added.
- Instead of heritage page A nice picture of family. 1 picture on page with more than 3 sentences telling story of family.

3rd year and up students:

- A new album with 1 specific event (holidays or vacation story of family, school years, 4-H years, sports, dance, yourself, or etc.).
- Must include a title page.
- Must include photo journaling and documentation of all pages.
- Must include memorabilia as it pertains.(Play tickets, ribbons, and programs from above events).

Judging guidelines:

Material quality

Creativity

Overall appeal
