MSU is committed to achieving excellence through a diverse workforce and inclusive culture that encourages all people to reach their full potential. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status. Issued in furtherance of MSU Extension work, acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture. Quentin Tyler, Director, MSU Extension, East Lansing, MI 48824. This information is for educational purposes only. Reference to commercial products or trade names does not imply endorsement by MSU Extension or bias against those not mentioned.

Tax Form Requirements for 4-H Auction Participants (W-9 and 1099-MISC Information)

What do you need to know?

Beginning with the 2026 fair season, MSU Extension must follow Federal Internal Revenue Service (IRS) regulations requiring livestock and still exhibit auctions to issue a 1099-MISC to any youth who receives \$2,000 or more in total payments from the sale of animals, still exhibits, or related activities within a calendar year. This handout explains what families need to know and how to prepare.

Why is this happening?

We recently identified a gap in our reporting process and are taking steps to address it moving forward. To avoid placing an unnecessary burden on youth who participate in 4-H auctions, we will not apply the requirement retroactively.

Under federal tax regulations, auctions are required to issue a 1099-MISC form to any youth who receives \$2,000 or more in payments during the calendar year from livestock sales or related activities. To comply, we must collect a W-9 form from youth who meet or may meet this threshold. **This is a federal reporting requirement, not a new MSU policy.**

What counts toward the \$2,000 threshold?

The IRS requires us to include all payments made directly to the youth when calculating this amount. This includes animal auction proceeds, add-ons, and still-exhibit auction proceeds. If the total payments made to a youth reach \$2,000 or more within a calendar year, a 1099-MISC form will be issued by the MSU Controller's Office (more information below).

Does my child need to complete a W-9?

Counties conducting 4-H Auctions will require all 4-H youth to submit a W-9 before they are eligible to market their animals or still exhibits, ensuring timely processing. Requirements for completing W-9 forms and issuing 1099-MISC documents for auctions run by fairs or other organizations will be determined by those entities.

How will W-9s be collected?

W-9 forms will be collected prior to the youth livestock auction through a secure system. The platform ensures that each submitted Social Security Number is digitally encrypted and accessible to an authorized state-level administrator for processing a 1099-MISC.

Who sends the 1099-MISC?

The MSU Controller's Office will mail 1099-MISC forms directly to families by February 1, 2027, for income earned in 2026. Requirements for completing W-9 forms and issuing 1099-MISC documents for auctions run by fairs or other organizations will be determined by those entities.

Will my child need to file taxes?

Tax filing requirements vary. **MSU and MSU Extension cannot provide tax advice, but families may consult a tax professional or IRS resources. Receiving a 1099-MISC does not automatically mean your child owes taxes.**

What should families do now?

Be aware of the new reporting requirements for 2026, plan to complete a W-9 if your child participates in 4-H [auctions](#), and ask questions early.

It's that time of year to sign up to help with 4-H activities during Kalamazoo County Fair!

Your Kalamazoo 4-H NEEDS VOLUNTEERS!

Volunteering can be both beneficial for the volunteer but especially for the youth involved.

It creates a safe space for youth to try out new ideas, be creative, build relationships and learn

what to do when things don't work out.

If you or someone you know is interested in becoming a 4-H volunteer to lead one of these projects,

please apply online at *Become a 4-H Volunteer*.

(https://www.canr.msu.edu/becoming_a_4_h_volunteer/)

Your time spent as a volunteer can be as little as a few hours a year to a few hours a week.

Volunteers will need to successfully complete the Gold level MSU Extension Volunteer Selection Process at

https://msu.samaritan.com/custom/502/volunteer_home

prior to working with 4-H youth.

We currently have youth enrolled in several projects, but do not have a gold level volunteer to lead them!

Michigan 4-H Youth Code of Conduct

The opportunity to participate in or attend 4-H activities is a privilege. All 4-H participants – youth, families, volunteers, and Extension staff who participate in or attend any activity or event sponsored by the Michigan State University Extension 4-H Youth Development Program are expected to uphold the values of the Michigan 4-H program.

All 4-H youth participants must conduct themselves according to the following standards that apply to all Michigan 4-H programs, including virtual programs, and interactions such as social media and internet engagement-

1. **Create a Welcoming Environment for All.** Encourage everyone to fully participate in 4-H. Recognize that all people have skills and talents that can help others and improve the community. Though we will not always agree, we must disagree respectfully. When we disagree, try to understand why. Our first priority is to create a safe, inclusive space for learning, sharing and collaboration that is welcoming to people from diverse backgrounds, cultures, and perspectives. Diversity includes, but is not limited to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status.
2. **Bring Your Best Self.** Conduct yourself in a manner that reflects honesty, integrity, self-control, and self-direction. Accept the results and outcomes of 4-H activities and programs with grace and empathy for other participants. Accept the final opinions of judges and evaluators. Be open to new ideas, suggestions, and opinions of others.
3. **Obey the Law.** Obey the laws of the locality, state and nation and Michigan State University and Extension policies and guidelines. Commit no illegal acts. Do not possess, offer to others, or use alcohol, illegal drugs, marijuana, or tobacco products, which include e-pens, e-pipes, e-hookah, e-cigars, JUULs, vapes, vape pens or other electronic nicotine delivery systems. Do not attend 4-H activities under the influence of alcohol or illegal substances. Do not possess or use weapons or firearms except as expressly permitted as part of supervised 4-H shooting sports programming. This includes dangerous or unauthorized materials such as explosives or similar items.
4. **Honor Diversity – Yours and Others'.** Respect and uphold the rights and dignity of all persons with whom you interact as part of Michigan 4-H.
5. **Create a Safe Environment.** Be kind and compassionate toward others. Be considerate and courteous of all persons and their property. Do not carelessly or intentionally harm or intimidate anyone in any way (verbally, mentally, physically, or emotionally). Do not insult, harass, or bully others or engage in other hostile behaviors, including sexual harassment, sexual assault or sexual abuse. Abstain from sexual behavior and intimate physical/sexual contact in either public or private situations at an MSU Extension youth 4-H activity or event.
6. **Be a Team Player.** Work cooperatively with all individuals involved in 4-H programs and activities. Be responsive to the reasonable requests of the person in charge such as volunteers and staff. Respect the integrity of the group and the group's decisions.
7. **Humane Treatment of Animals.** Treat animals humanely and provide appropriate animal care.
8. **Participate Fully.** Participate in and contribute to planned programs, be on time and follow through on assigned tasks/responsibilities in a manner that fosters the safety, well-being, and quality of the educational experience for self and others.

STATEWIDE CALENDAR OF EVENTS

Preparing youth to be Beyond Ready through the fair experience

Beyond Ready

The fair experience is more than a showcase; it's a powerful opportunity to prepare youth to be Beyond Ready for life. Through exhibiting their projects, interacting with judges and engaging with the public, young people practice real-world skills such as communication, responsibility, problem-solving and professionalism.

When volunteers create intentional learning moments, like encouraging youth to reflect on project growth, prepare for interviews or take leadership roles in their clubs, youth deepen their understanding and strengthen skills that extend far beyond the fairgrounds. Every fair interaction becomes a stepping stone toward future readiness.

Is your club helping youth make those connections and see how fair experiences prepare them for what comes next?
