# Thank You!

Your generous bids help support our local 4-H youth program. The funds raised from today's event provide funding for local activities, workshops, events, trainings, summer camp, and scholarships for youth to attend state and national conferences.

Your generosity makes a positive difference in the lives of youth.

As you visit the businesses that have kindly donated merchandise, certificates and/or monetary contributions to today's fundraiser auction, please be sure to let them know that our program youth and community appreciate their support.

Please honor the expiration dates on gift certificates.  
Certificates can not be exchanged for cash value.

## Thank you for attending today's fundraiser auction!

## Want to show your 4-H colors and spread the green?

Make a Donation to the Denise Rowden Memorial Fund.

Denise was a caring and selfless person. Her personal and professional life was driven by her passion to educate and help others. To honor Denise and her passions, her family established a memorial fund. The primary areas of interest include mental health, education, advocacy, childcare, adult foster care, and supporting children and adults with special needs.

To learn more and donate, visit the  
Lapeer County Community Foundation website:  
<https://lapeercountycf.org>

Lapeer County 4-H Auction Committee members are proud supporters of the Denise Rowden Memorial Fund.

## AGRIQUEST Homeschool Club Launched

A new 4-H SPIN club, AGRIQUEST, designed for homeschool youth, began programming in December. AGRIQUEST is a fun-filled 4-H Special Interest (SPIN) club designed for homeschoolers ages 5-12, who love to imagine, create, and explore! Meetings are a mix of ag-related stories, imaginative crafts, and science activities that turn learning into an adventure. **21** youth have enrolled in the SPIN club, and all of them are new to 4-H. In December, AGRIQUEST participants discovered the many varieties of conifer trees and the history of Christmas trees. They explored the pros and cons of using a fake vs. real tree and then made their own tabletop tree to take home. Upcoming meeting topics include Hands on with Wool; Sap to Syrup; Milk, Sugar, Science; and Supreme Seeds.

## Worms at Work: A Community Approach to Environmental Education

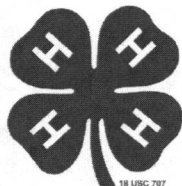

From wriggly science lessons to big “aha!” moments, worms are bringing science to life in the classroom. Through hands-on vermicomposting experiences, students explore ecosystems, soil health, decomposition, recycling, and environmental stewardship in a tangible and engaging way. Last May, **18** students hosted a classroom worm farm, creating a living laboratory where they investigated the life cycle of a worm, observed decomposition in real time, and learned how food waste becomes nutrient-rich compost.

The learning soon expanded into the community. In June, the worm farm was displayed for a week at the Ruth Hughes Memorial Library, giving families a chance to experience vermicomposting firsthand. Building on that interest, **29** people attended a hands-on workshop where they learned composting basics and built their own take-home worm farms. One 5-year-old participant still cares for his worms six months later—growing from 10 to more than 100—and proudly talks about the 4-H worm class he attended.

## 4-H Ambassadors

4-H Ambassadors represent and promote 4-H, as well as assist with planning and facilitating county-wide activities.

In 2025 Lapeer County Ambassadors coordinated a county-wide service project, collecting pet food, treats, toys, and blankets for animals in need.

## 4-H Camp Builds Skills, Friendships & Forest Magic

In July, Lapeer County 4-H youth spent three memorable days at Camp Lael for the annual 4-H Summer Camp. **60** campers ages 5–12 and **19** teen counselors participated and were supported by **10** adult volunteers. The 2025 theme, Wonderwoods, brought fairy tales to life through activities like making fairy dough and dragon eggs, planting “beanstalks,” experimenting with giant toothpaste, and racing handmade boats. Campers also enjoyed classic outdoor fun such as swimming, canoeing, hiking, s’mores, and sharing stories, including the beloved camp legend of “Brad,” their friendly forest companion.

Beyond the adventure, camp provides meaningful leadership development for teens. Counselors meet throughout the year to help plan camp and complete trainings in CPR/First Aid, positive youth development, and behavior management. Through both preparation and hands-on leadership during camp, teens build real-world skills in communication, teamwork, problem-solving, and responsibility—experience that often becomes a stepping-stone toward future jobs and increased confidence.

 *To Make the Best*

We would love your feedback. Please tear off this page and complete the survey. There is a collection box at the exit. Please check all the boxes that apply and leave a note if you wish. Thank you!

1. Have you attended a Lapeer County 4-H Fundraiser Auction in the past?

- Yes, I have attended before
- No, this is my first time

2. How did you hear about the fundraiser?

- I have attended in the past and received a mailed notice
- Newspaper Article - Which Paper? \_\_\_\_\_
- Newspaper Advertisement - Which Paper? \_\_\_\_\_
- Goodnews Newsletter
- Facebook
- Flyer in local business
- Road Sign
- Friends/Family
- Other: \_\_\_\_\_

3. Which portion of the auction did you attend?

- Friday Night Celebrity Auction
- Saturday Silent Auction
- Saturday Live Auction

4. Please Share other comments/suggestions to help us improve the auction.
