"4-H is great" doesn't say as much as "Being in 4-H has helped me be confident, meet new people, and learn responsibility."

The following outline may help you develop your 4-H Story. It is divided in parts simply to help you outline what you might want to say about yourself; do not identify these parts when you write your Story.

PART 1 - tell when and why you got involved in 4-H

PART 2 - tell about the project area that you were most involved in; what have you learned or done in the project area

PART 3 - describe how being in 4-H has helped you
