Looking Back 2025: So Many Changes!

Another 4-H year has come to a close, and a new one is just beginning. This last year has been full of changes, and now that the dust has started to settle, I am looking forward to what those changes will bring in the new year. If you haven't been to the office in the last nine months, we have moved! We are still in the same building but up one floor. The move was a little chaotic, and I am still unpacking and reorganizing as I find time, but I am enjoying our new space. When you come to visit us in the new space, you will see some new faces, too. Cheryl is our new secretary. She has been here for the last nine months since Tina's retirement in December and has been busy learning all about 4-H and Extension. More recently, Maddie joined our team in July, and she is filling our temporary program worker position until October 31. Cheryl's and Maddie's contact information is in the right column. I have included a brief intro paragraph from Maddie below.

Hello! My name is Maddie! After 15 years of participating in Macomb County's 4-H program, I moved to East Lansing to pursue my Bachelor of Science in Agribusiness Management from Michigan State University. During my time there, I spent a year working at the Farm Service Center, assisting the animal farms with special projects, feed supply, and manure management. I graduated this past December and returned to the Thumb area. My passion is all things agriculture, but I love to learn new skills and hobbies. My main focus will be to bring more SPIN clubs to Lapeer County. These are short SPecial INterest clubs that are designed to be a lower time commitment than your traditional project. I am working on some new events, to be sure to watch your emails for the next few months. Hope to see you there!

CrowdPower Campaign

CrowdPower is the MSU crowdfunding platform, which functions similarly to sites such as go fund me. However, CrowdPower is a free resource available to colleges and units at Michigan State University.

Lapeer County 4-H will launch a CrowdPower campaign on October 1st that will run until October 31st. We have a goal of raising \$2,500. 100% of the funds raised will come directly to Lapeer County 4-H.

Our goal of raising \$2,500 will assist in purchasing updated curriculums, art and craft supplies, wildlife identification items, STEM kits, gardening tools, fishing poles and gear, and much more to make the educational goals of local youth a reality.

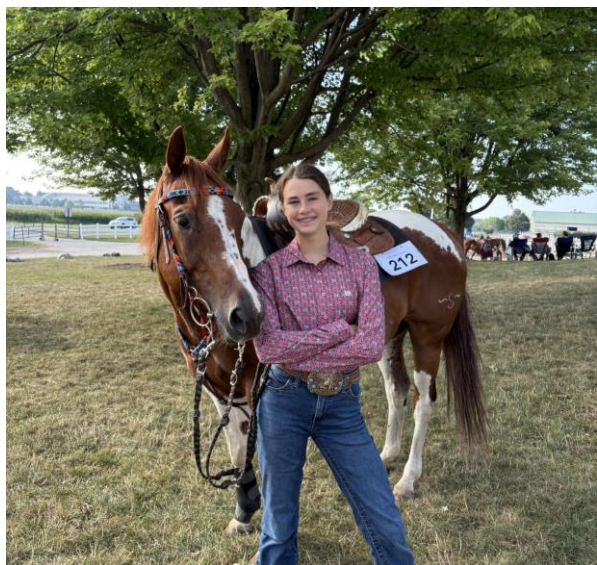

There are many ways you can help!

- Stop by the office and pick up a "4-H Grows Here" yard sign to put up at your home or business for the month of October.
- Share the following message on your social media:
 - 4-H helps thousands of young people explore what interests and excites them as they grow through the program. From program areas ranging from arts to animal science, environmental education to engineering, and leadership to life skills, 4-H provides fun, educational opportunities that empower young people with skills to lead for a lifetime and become the foundation for future success. By clicking the link below and making a gift today, you will provide our youth more opportunities to explore their passions through Short Term Special Interest (SPIN) Clubs, Workshops/Clinics, Day Camps, Leadership Trainings and Conferences and Community Service Projects.
<https://givingto.msu.edu/crowdpower/lapeer-4h>
- Ask three people to donate \$10. We can far exceed our goal of \$2,500, if each family were able to secure just \$30 in donations.
- Share your 4-H Story! Tell people what 4-H has meant to you or your children and let them know how they can help!

Lapeer County 4-H Members Sweep Statewide Contests

The end of the summer season has been marked by outstanding achievements for Lapeer County 4-H youth. A dedicated group of talented young equestrians and sharpshooters brought home an impressive array of medals and ribbons from the Michigan 4-H State Horse Show and the Michigan 4-H State Shooting Sports Tournament.

Rowan Conley, Isabel Craig, and Alivia Krajenta captivated judges and spectators alike during the Michigan 4-H State Horse Show held at the Farm Bureau Pavilion in Lansing, August 14-17, 2025. Conley, a member of North Branch Finishline Livestock 4-H Club, placed Fifth in Ranch Riding, First in Reining, and First in Ranch Trail before moving on to the Champions Class and Placing Top Five. Craig, a member of Flying Hooves 4-H Club, placed Fourth in Showmanship, First and Top Five in Huntseat Equitation, Second and Reserve Grand Champion in Horsemanship, and Second and Grand Champion in Hunter Under Saddle. Krajenta, a member of Equestrian Connection 4-H Club, placed Eighth in the Photography Contest, Seventh in Pole Bending, Eighth in Cloverleaf Barrel, Second and Reserve Grand Champion in Down and Back, and First and Reserve Grand Champion in Indiana Flag Race.

Earlier in the month, 4-H members from the Hot Shots 4-H Club earned recognition for their skills at the Michigan 4-H State Shooting Sports Tournament held on August 2 at the Saginaw Field and Stream Club in Saginaw. Among the local victors were Lapeer County 4-H Members, Albert Pearsall, Iris Fagerlie, Georgianna Annabel, Leevii Turrell, Isaiah Seidell, Aurora Marcotte, and Ben Selaty. In the individual .22 Field Rifle competition, Pearsall placed First, taking Second was Fagerlie, and in the team division, Pearsall, Fagerlie, and Selaty placed Third. In the individual Archery unsighted competition, Marcotte placed Second. From the Muzzleloading Open competition, Annabel took First, and Turrell placed second. In the team division, Annabel and Turrell placed First. Seidell brought home First in the Muzzleloading traditional competition.

Additionally, earlier this year, 4-H members participated in a Meats Judging contest in Lansing on May 7 at the MSU Meats Lab. The senior team placed fifth. Individually, Rowan Conley placed 6th in the senior division and Zoey Suszko placed third in the junior division. Ivanna Castro also completed the contest as an 8 year old!

These victories are not merely a reflection of the members' abilities but also of the tireless efforts of their club leaders and volunteers.

Michigan 4-H license plate now available!

Michigan drivers have a new way to show their 4-H pride while supporting 4-H youth development programming: through the purchase of the newly released Michigan 4-H license plate. Available at the Michigan Secretary of State, the plate prominently displays the signature 4-H clover and part of the proceeds from every sale and renewal will go to support Michigan 4-H youth.

“We are elated that the Michigan 4-H license plate is officially here,” said Quentin Tyler, director of Michigan State University Extension, which is home to the Michigan 4-H program. “We hope the many members of our Michigan 4-H community – youth, parents, alumni and supporters – will consider supporting 4-H by purchasing a plate as they renew their licenses this year.”

Similar to other special cause fundraising license plates in the state, the Michigan 4-H license plate will cost \$35, with \$25 of the purchase fee benefiting Michigan 4-H Youth Development. A \$10 fee will also be charged to benefit Michigan 4-H when the plate is renewed. License plates may be ordered by visiting Michigan.gov/sos, by mailing in a form or scheduling a visit to any Secretary of State office. The plate will be delivered by mail in two to three weeks.

Safe food for 4-H events

Food safety is important when hosting food events or fundraisers. A new fact sheet, **Safe Food for 4-H Events**, was created to provide education and resources for 4-H staff, volunteers and youth who are coordinating and participating in 4-H food fundraisers or events. View the factsheet at www.canr.msu.edu/resources/safe-food-for-4-h-events.

In addition, MSU Extension held a training on food safety best practice guidelines for those who are planning for, preparing and implementing food fundraisers or events. 4-H families are encouraged to watch the training online at https://mediaspace.msu.edu/media/Safe+Food+for+4-H+Events/1_krsqfes3.

As 4-H families plan fundraisers and other activities throughout the year, remember to review these important resources as a reminder of food safety best practice recommendations.

Going home: Biosecurity tips for animals that travel off the farm

Adapted from: https://www.canr.msu.edu/news/biosecurity_tips_for_animals_that_went_to_the_county_fair.

Animals that are exhibited at the county fair, jackpot shows, and other exhibitions are likely near and dear to their exhibitor's hearts. Michigan State University Extension offers these biosecurity steps exhibitors can take to protect their show animals and those that were left at home once the event has ended.

- Keep animals that left home separate from animals that did not for a minimum of 14 days. If at all possible, do not allow nose-to-nose contact and provide as much distance between animals.
- Disinfect all buckets, feeders, tools and footwear that left home.
- Throw away any feed or hay that left home.
- Always wear clean clothes and footwear. Boot coverings may be helpful when caring for isolated animals.
- Take care of animals that stayed home from the show first, and animals that were at the show second. Do not go back and forth between animals as this increases the risk of cross-contamination.
- Do not eat or drink in the barn.
- Observe animals daily for signs and symptoms of illness, such as:
 - Obvious pain or discomfort
 - Decrease in appetite and water intake
 - Fever
 - Lethargy
 - Diarrhea or changes in consistency in manure
 - Discharge from nasal cavity or eyes
 - Overall weakness

Care of animals after traveling is just as critical as their pre-show care. Exhibited animals were exposed to new animal populations and fair-goers, and will typically experience a lot of stress during their time away from home. By practicing these biosecurity steps, you can help keep all of your animals safe and healthy.
