## 4-H Kitchen: Become a Silver Volunteer Now!

Are you planning to volunteer this July at the 4-H Kitchen? Get started now on your volunteer screening. MSU Extension is firmly committed to ensuring the safety of those who take part in our programming by providing a thorough screening and selection process for MSU Extension volunteers.

Adults who work in the 4-H Kitchen or at one time events need to complete the **silver** level volunteer screening. This DOES NOT require an interview, references, or trainings. If you completed this screening last year, you do NOT need to redo the screening. You can start the [application here](#).

Make sure to choose Silver level, 4-H Youth Development as the program and Livingston as your county. You will only need to complete an application and consent to a background check. If you have questions about the process, please email Kat at [krollkat@msu.edu](mailto:krollkat@msu.edu).

## Little Barn 4-H Club Highlights: Quilting!

Here is a submission from 4-H'er Lily Witt of Little Barn 4-H Club.

"On April 16th, at our 4-H meetup, we were sewing. Over the past few months we have made quilt squares. That is what we are sewing. We had to learn how to use a sewing machine first. Miss Moulton taught us. We had paper with all sorts of lines, like zigzags, squiggles and straight lines. That's what we were practicing sewing on. After we practiced sewing and everybody knew what to do, we started to sew our quilt squares. We are sewing the quilt squares into a big quilt. Look for the quilt at the fair, in our 4-H Little Barn booth."

We can't wait to see the quilt at the Fowlerville Family Fair! Thanks for sharing Lily!

## Michigan 4-H license plate now available!

Michigan drivers have a new way to show their 4-H pride while supporting 4-H youth development programming: through the purchase of the newly released Michigan 4-H license plate. Available at the Michigan Secretary of State, the plate prominently displays the signature 4-H clover and part of the proceeds from every sale and renewal will go to support Michigan 4-H youth.

"We are elated that the Michigan 4-H license plate is officially here," said Quentin Tyler, director of Michigan State University Extension, which is home to the Michigan 4-H program. "We hope the many members of our Michigan 4-H community – youth, parents, alumni and supporters – will consider supporting 4-H by purchasing a plate as they renew their licenses this year."

Similar to other special cause fundraising license plates in the state, the Michigan 4-H license plate will cost \$35, with \$25 of the purchase fee benefiting Michigan 4-H Youth Development. A \$10 fee will also be charged to benefit Michigan 4-H when the plate is renewed. License plates may be ordered by visiting [Michigan.gov/sos](http://Michigan.gov/sos), by mailing in a form or scheduling a visit to any Secretary of State office. The plate will be delivered by mail in two to three weeks.
