## Macomb County 4-H News & Events

### Thank your local TSC for supporting 4-H

By 4-H Program Coordinator Lizz Duran

The Tractor Supply Company (TSC) Spring Paper Clover campaign took place from April 18-May 5, 2025, and MSU Extension 4-H staff would like to thank the 4-H REBELS for representing Macomb County at our county's newest TSC store location in Sterling Heights.

Paper Clover is a twice a year national fundraiser. This exciting opportunity raises much needed funds for Macomb County 4-H and brings awareness to the 4-H program in a geographical area that is mainly urban. It is also a life skill building opportunity for the youth.

Macomb County 4-H Program Coordinator Lizz Duran was able to join the 4-H REBELS club as they hosted a table at the new Sterling Heights TSC location. During their club meetings youth created a promotional club poster, made rubber band bracelets and practiced their elevator pitches. At first, they were apprehensive and shy but by the end of the day they were seasoned pros in promoting 4-H. It was a fun team building day for the small club. One member brought her mini lop-eared rabbit, Mango, to answer questions and demonstrate her rabbit to TSC customers and staff.

As they visit their local TSC stores, MSU Extension encourages members of the 4-H community to thank TSC staff for their support of 4-H. We are fortunate to have four locations in Macomb County: Sterling Heights, New Haven, Richmond, and Washington Township.

We have received the results of TSC's Fall 2024 4-H Paper Clover Campaign from TSC National. Thanks to donations received during the Fall 2024 campaign, Macomb County 4-H will receive \$1,171.77 to be used primarily for scholarships for 4-H members to attend 4-H programs, workshops and events. The TSC Campaign raised a total of \$66,778.58 for Michigan. Of this amount, \$40,067.14 is distributed for support of county 4-H programs, \$6,677.86 for state 4-H programs, \$6,677.86 for 4-H statewide learning experiences, \$6,677.86 for 4-H foundation, and \$6,677.86 is maintained by National 4-H Council for their administration of the TSC campaign. This distribution represents 60% of total revenues generated within your local TSC stores.
