CALENDARS OF EVENTS

4-H Thriving Model of Positive Youth Development

Building a sense of belonging in our 4-H program has been a long-standing tradition. What does this look like?

It may be a project leader, club leader, or event organizer welcoming you to each meeting or event. It may look like a “roll call” or “ice breaker” at the beginning of a meeting.

The initial welcome allows people to know that they have been seen in the room. So, the next time someone asks you a roll call question of “What’s your favorite cheese?”, know that there is a reason.

We want to get to know you. We want to hear your voice. We want the ability to start building relationships by finding likenesses among us.

Contact your local 4-H staff for more information.
