

Michigan State University Extension is accepting applications for High School students for the position of Teen Counselor. Students will earn certificates of community service hours, while gaining valuable professional work experience in a fun, professional environment mentored by Michigan State University Extension. A letter of reference will also be provided based on performance. This is an excellent opportunity for any student but especially for those considering careers as teachers, youth development, or in the human services sector.

Immediate available Positions are:

1. Youth Program Facilitators (Teen Counselors) - Duties and responsibilities are to assist in the planning, facilitation and administrative task of topic specific programs at various sites located in Macomb County. All training and supplies will be provided by MSUE.

For more information, please contact Elizabeth Duran, (586-469-6090), duraneli@anr.msu.edu.
