Monroe Archers Compete at State Level Tournament

Alicia Bondar (Demin & Dust), Carson Fuller (Crazy ‘Bout Critters) and Justin Yarger (Crazy ‘Bout Critters) all competed in the 4-H Shooting Sports State Tournament on Aug 3. All three competed in the Target Archery Open division and did quite well. In the Senior age group, Carson came in at 3rd place followed by Alicia at 4th. For the Junior age group, Justin came in at 2nd place. Justin also competed in an additional event that was new this year, which consisted of 3 separate archery events, outdoor FITA, Field & Hunter and 3-D. Justin was awarded two 2nd places and a 3rd place; and wound up in 2nd place overall for the Junior age group. Congratulations to all three of our archers for a job well done and representing Monroe county!!

First Ever Tri-County Invitational Archery Tournament

The Monroe County Shooting Sports Association hosted the first ever Tri-County Archery tournament at the Washtenaw Sportsman's Club on Sunday Sept. 8th. Twenty-eight 4-H archers from 11 different counties scattered across the lower peninsula came out to compete in this one-day event. Twenty medals were handed out to the top shooters. WSC club members Dave B. and Tim O. were extremely impressed with how well the kids performed and behaved. Another shining example of how 4-H cultivates and grows the leaders of tomorrow. Special thanks go out to the members of the SSA youth executive board, the shooting sports instructors for all their work in putting this event together and to the Washtenaw Sportsman's club for the use of their facilities!!

2019 JLA Banquet

Our Junior Livestock Association Banquet was held September 15th. Congratulations once again to all of our showman and THANK YOU to the buyers and volunteers that helped make this event possible.

Monroe County 4-H 'I DARE YOU' AWARD NOMINATIONS

All nominations must be made by a club leader, parent, peer by November 1 at 5pm!

Since 1925, American Youth Foundation (AYF) conferences have helped young leaders discover their unique gifts, inspiring them to put those gifts into action to make a positive difference.

With this in mind, the National Leadership Award (NLA) was established to recognize extraordinary young people for their character and leadership potential. The AYF partners with schools, youth groups, businesses, community groups and 4-H clubs to identify and honor these young leaders.

Award recipients receive a personalized award certificate, a copy of *I Dare You!*, William H. Danforth's classic motivational book, and an invitation to join other young leaders at the [National Leadership Conference](#). Nomination letters should include the nominees demonstration of extraordinary character and leadership potential. Please share with the committee your knowledge about the nominee and express support for their passion of the 4-H program and leadership skills. This is your chance to give a huge shout-out to the nominee recognizing their hard work and dedication to positive youth development!

Please submit nominations through this [form](#) or by nomination letter to Sara Lewis, 4-H Program Coordinator at seitzsa1@msu.edu or mail to: 963 South Raisinville Rd, Monroe, MI 48161.

now accepting applications

Apply now for the Michigan 4-H State Youth Leadership Council

Providing opportunities for youth to share their voice through youth-adult partnerships is a key focus of [Michigan 4-H Youth Development](#). In 2015, the [Michigan 4-H State Youth Leadership Council](#) was created to do just that in a statewide setting.

The Michigan 4-H State Youth Leadership Council brings teen leaders from across Michigan together to provide authentic youth voice in Michigan 4-H youth programs and to assist with promoting 4-H programs on a statewide level. The Michigan 4-H State Youth Leadership Council provides a high-level leadership opportunity for older youth to learn about 4-H beyond their own experiences by talking with and learning from 4-H members across the state.

Michigan 4-H State Youth Leadership Council member Addy Battel reflects on her experience, saying, "State Youth Leadership Council has given me an opportunity to further hone my leadership skills in ways that are only possible when surrounded by peers with similar passions."

Michigan 4-H State Youth Leadership Council members meet in person 2-3 times per year during statewide 4-H events like 4-H Exploration Days. Additionally, Michigan 4-H State Youth Leadership Council members meet once per month by calling in or logging into an online telecommunication platform.

Michigan 4-H State Youth Leadership Council member Torey Fischer adds, "State Youth Leadership Council has been such a great experience that has not only allowed me to build my leadership, teamwork and communication skills, but has also opened doors and provided opportunities for my future that I am still discovering even as my 4-H career is coming to a close."

[Applications](#) are now available for the [2020 Michigan 4-H State Youth Leadership Council](#). 4-H members aged 15-19 as of Jan. 1, 2020, are encouraged to apply for a two-year seat on the council by applying online at <https://bit.ly/2kVfHwO>. Two recommendations are also required for each applicant, one being from the local 4-H program coordinator. **The deadline to apply is Oct. 28.**

National 4-H Week to be celebrated Oct. 7 - 13

For the 77th consecutive year, millions of youth, parents, volunteers and alumni across the country will celebrate *National 4-H Week* from October 6-12. During the 2019 National 4-H Week, Michigan 4-H is encouraging 4-H youth, volunteers, staff and supporters to get out and inspire youth to be True Leaders through hands-on doing.

From empowering youth to pursue their passions to learning new skills, this October is a perfect time to make a difference for the next generation. One easy way to do this is by sharing how 4-H has inspired you or your kids on social media channels and with individuals in your community. Though every day during National 4-H Week is a great time to show your pride, Tuesday, Oct. 8, is the official 4-H Spirit Day and you're encouraged to wear 4-H apparel to show your 4-H pride.

New Teaching Science When You Don't Know Diddly Squat Resources

The "[Teaching science when you don't know diddly squat series](#)" aids youth in learning the process of science; asking questions and discovering answers.

Through the various activities, young people try to figure things out for themselves, rather than just read an answer on the internet or in a book.

In this latest activity in the series, "Why do animal poops look different?", youth experiment with why manure looks different for each animal.
