Memorable Adventure for the Rocket Club!

On February 21–22, 2026, Oakland County Sport Rocket 4-H Club took a trip to the Armstrong Air & Space Museum — marking their **first-ever overnight field trip** as a club. It sounds like it was a trip to remember. A huge thank you goes out to the dedicated adult chaperones and parent helpers who helped make this experience possible. Your support and willingness to step in wherever needed ensured the trip ran smoothly and that everyone stayed safe throughout the adventure.

We'd also like to recognize the youth and families who participated in their **very first 4-H activity** during this trip.

Great job to the Oakland County Sport Rocket Club on a successful and memorable trip! 🚀

Welcome Sandra Gary!

We are excited to give a warm welcome to our **new AmeriCorps 4-H member**, Sandra Gray! Sandra is currently a graduate student at Wayne State University, where she is pursuing her Master's degree in Community Health. She is passionate about helping marginalized communities become more autonomous and confident in navigating their healthcare, which inspired her to serve through AmeriCorps.

Outside of her academic and professional work, Sandra enjoys taking long walks with her dog, getting lost in a good romance novel, and cheering on her daughters as a proud volleyball mom. She is excited to be part of the 4-H community and looks forward to where this journey will take her in her career.

Please join us in welcoming Sandra to the team!

STATEWIDE CALENDAR OF EVENTS

*Preparing youth
to be
Beyond Ready*

**Beyond
Ready**

4-H's approach to readiness begins with participation in high-quality positive youth development programs.

4-H has historically helped young people prepare for work and life through the development of competencies, skills and tangible assets, resulting in youth who are healthy, productive and engaged.

The complex landscape youth face today calls us to go a step further in preparing them to navigate their readiness pathway during and after their 4-H experience.

Is your club intentionally preparing youth to be Beyond Ready for the changing world? Watch here for tips to use with your club.
