2021 STAAARS+ Fellowship Applicant Form

Project Information

Name of Institution: _____

Address of Institution: _____

_____

_____

Title of Proposed STAAARS+ Research: _____

_____

Full name of specific data set to be used for STAAARS+ research _____

_____

Do you currently possess this data?   ___Yes   ___No

If no, please explain in detail when and how you plan to obtain it:

_____

_____

_____

Team Member 1 Biodata

Name (as it appears on passport):

Surname: _____

Other Names: _____

Gender: ___Female   ___Male

Nationality: _____

Current Professional Affiliation and Title: _____

_____

Contact information:

Email address: _____

Telephone: _____

Physical Address (where postal mail can be received for U.S. visa purposes)

_____

_____

_____

_____

_____

Date of completion of most recent degree, or expected completion of degree in progress:

Degree: ___PhD   ___M.S.   Other (specify) _____

Month: _____ Year:_____

Institution: _____

Please rate your level of experience with the following technical software:

Stata

    ___None (I have never used this software)

    ___Some (I have used it, but only a few times or infrequently)

    ___Intermediate (I have used it, but am not an advanced user)

    ___Proficient (I use this software regularly for most of my data work)

R

    ___None (I have never used this software)

    ___Some (I have used it, but infrequently)

    ___Intermediate (I have used it, but am not an advanced user)

    ___Proficient (I use this software regularly for most of my data work)

GIS software

    Specify type of GIS software you have used, if any:_____

    Specify experience level

        ___Some (I have used it, but infrequently)

        ___Intermediate (I have used it, but am not an advanced user)

        ___Proficient (I use this software for most of my data work)

Other software

    Type of software: _____

        Proficiency level: _____

    Type of software: _____

        Proficiency level: _____

Please list any software that you are interested in learning/improving, if applicable.

    Type of software: _____

        ___I have no experience and I want to learn

        ___I have some experience and I want to improve

    Type of software: _____

        ___I have no experience and I want to learn

        ___I have some experience and I want to improve

Please tell us about the goals you have and specific skills you would like to develop through the fellowship:

_____

_____
