

Golf Course Maintenance Internship – The Links of North Dakota

Location: Williston, North Dakota

Position Type: Internship

Salary: \$20/hour + Overtime

Housing Provided

About the Course:

Consistently ranked among the best courses in the nation, **The Links of North Dakota** has earned a spot in Golfweek's *Top 100 Courses You Can Play* multiple times. **Golfweek's Best 2025: Top 100 public-access courses in the U.S., ranked 72nd.**

In 2024, the course completed a **full irrigation system renovation**, and discussions are underway for a **bunker renovation project** planned for the 2026 season.

Position Overview:

As a **Golf Course Maintenance Intern**, you'll work directly with the Golf Course Superintendent and be involved in all aspects of golf course management. This hands-on role is ideal for students or recent graduates pursuing a career in turfgrass or golf course management.

Duties Include:

- Daily Course Setup
- Irrigation Repair & Maintenance
- Water Management
- Fertilizer & Chemical Applications
- Calibration of Sprayers and Application Equipment
- Crew Supervision & Management
- Equipment Operation
- Tournament Preparation
- Golf Course Improvement Projects
- And More!

Educational Requirements:

- Currently enrolled in or recently graduated from a program in **Agronomy, Turfgrass Science, or Golf Course Management**

Job Benefits:

- \$20/hour plus overtime
- Housing provided
- Excellent work environment with opportunity for advancement
- Staff uniforms
- Pro shop discounts
- Golf privileges

To Apply:

Please submit a **cover letter, resume, and references** to:
