MINIATURE IN-HAND TRAIL

2026 ABYS Mini In-Hand Trail

1. Start in the box.
2. Pivot your mini 360 to the right, walk out.
3. Turn left, then back out of the chute as shown.
4. Perform at 180 pivot to the right, trot.
5. Stop at the first sidepass pole, sidepass *either direction*
6. Walk to the gate, work the left-handed gate.
7. Trot away from the gate and over the fan poles to the bridge.
8. Break to a walk, then walk over the bridge and poles.
9. Once you walk past the cone your pattern is complete, exit without stopping.
