

Ink on Glass

Project Guidelines

1. Exhibit must be framed and have a hanging wire securely attached to the back of the frame. Exhibits that do not meet these requirements will automatically receive one full A, B, C grade lower at project evaluation at fair.
2. Exhibitors 8 - 11 years of age by January 1 must use regular "clear" glass. Non-glare glass not allowed at this age level.
3. Exhibitors 12 years of age and older by January 1 may, if desired, experiment with other types of glass (i.e. non-glare, colored, textured, etc.).
4. Any type of black/red or white permanent ink may be used as the "ink" medium. **No other colored inks.**
5. Any type of material may be used, if desired, as a "background" to "highlight" the drawing (i.e. paint, fabric, colored paper, colored tissue paper, wallpaper, etc. may be placed behind the glass).
6. Exhibit must be signed and dated with at least the year of completion on the glass by the exhibitor.
