

**Kickstart your sustainability
career, while supporting
local community
organizations.**

Join the

GREEN BUILDING HACK-A-THON

 **Saturday, October 18th 2014**  **9am - 4pm**  **Human Ecology Bldg**

-  Learn about sustainability strategy, then take action on a local LEED project.
-  Acquire LEED project experience and eight (8) LEED-Specific CMP hours.
-  Collaborate with local developers, builders, creatives, and engineers in your region.
-  Gain marketable skills and experience demanded by companies and projects.
-  Open to students, professionals, and experts!
