Approved	6c. PKG 323 – Course Change *Update prerequisites #22, add MTH 124option #24 Remove the recommended background, already listed as a prequ in #22
Approved	6d Environmental Toxicology – Program Change *Remove Engineering as a cooperating College and updated course list, as a first step. Program will be revised later. #4 graduate certificate is repeated twice #15 detailed description -change CSS to PSMS -in description, give total number of credits for the program -in paragraph 2, replace specialization with certificate -under requirements, change the 5. to a 3.
Information	7. Associate Dean's Comments - Accreditation update *Dr. Millenbah is the CANR accreditation rep. Each dept should also have a point person for accreditation. The 2015 process is quite different compared to the last review. The report is limited and the review team visit is very short. *Departments are asked to update web sites ASAP; the review team may use the web for additional info in lieu of reading a longer report *By end of the semester, Kelly Funk will be contacting departments to get updates on learning outcomes paperwork

Meeting adjourned at: 1:18 (Record Time!)
